

SteelMAX

Design Assistance

ALLOW US TO DESIGN A FLOOR FRAME SYSTEM TO SUIT YOU

CUSTOM SIZES & SHAPES AVAILABLE FOR

- NEW HOMES
- EXTENSIONS
- DECKS
- MEZZANINES
- POOL DECKS
- SHEDS
- CARPORTS
- STUDIOS

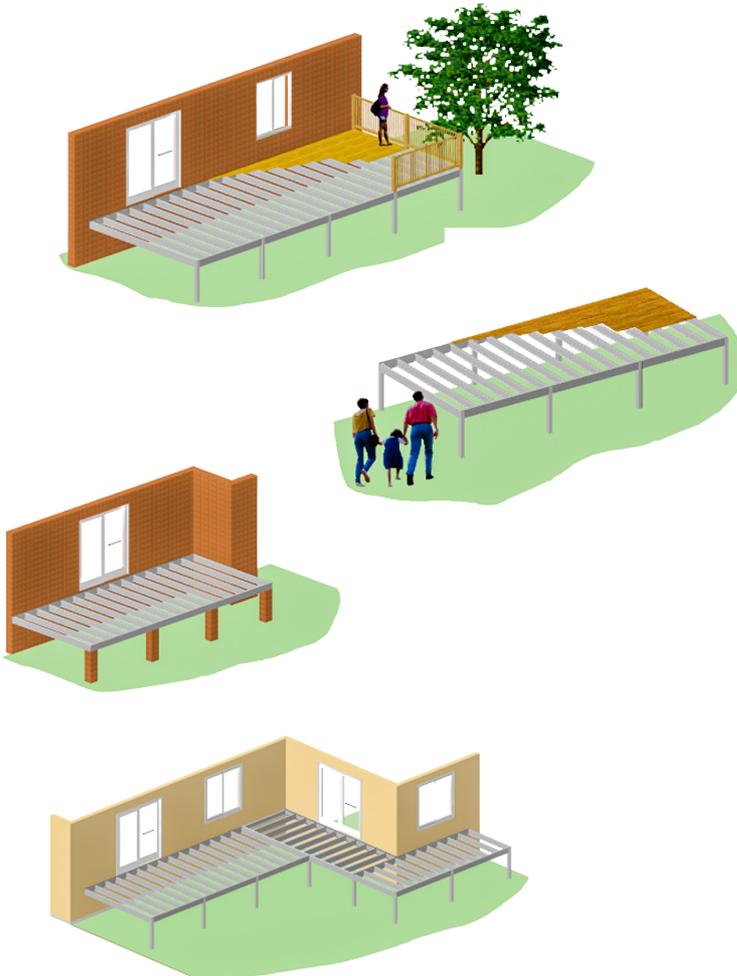

What we need to know for a quote & design

- Project type
- Full dimensions
- Height off the ground
- Freestanding or fixed to an existing structure
- If fixed
 - Where is it connected to?
 - What sides?
 - What kind of structure/material is it being fixed to?
- Do you have specific load or decking requirements?

Email your projects details & include your contact information, address or state/postcode your project is in.
